

SELF EMPLOYMENT CONTRACT

SITE HOURS

The site working hours are from between 7.30am - 5.00pm with the permission from the site rules which will be provided from your Pre start induction on site given to you from the Site Manager or Company Representative. Footes Brickworks will pay a full 8 Hour Shift on the basis of 8.00am - 4.00pm with 1 x 30minute break. Anything before this will be calculated on an hourly basis.

PPE

On arrival to site you will have to provide yourselves with the following, Hard Hat, Steel toe Boots and a Hi Visibility vest. If these items are not available Footes Brickwork Ltd or the contractor of the site will provide these at the cost of £20.00.

HANDHELD TOOLS

As a sub contractor yourself will provide your own manual labour tools.

HANDHELD MACHINERY

If the use of petrol saws or Cement mixers are needed the correct training and PPE will be provided on site. Also including in the Terms and Conditions of the Risk Assessment and Method statement issued during your induction.

TELE-HANDLERS

Tele-handlers are to strictly only be used if the correct licence is provided on site beforehand and the site manager from the contractor has given full permission and given the correct site management plan in case of an emergency.
